Working within a budget doesn't mean you have to sacrifice quality. Provide your customers with an option that fits their expectations – and their budget – with Honeywell’s PRO 1000 Non-Programmable and PRO 2000 Programmable Thermostats. Perfect for multi-family housing developments or apartment complexes, PRO series thermostats can be private labeled and feature the quality, reliability and performance that you can expect from Honeywell at a price that’s just right.
PRO 1000/2000 Thermostats

RIGHT BRAND. RIGHT PRICE.

Early Recovery – Ensures that the programmed temperature is reached by the programmed time*. Make More Money – Get a premium for selling Honeywell thermostats – they’re the #1 choice of homeowners.

Dual-Powered – Battery and/or hardwire.

Clear, Backlit Digital Display – Easy to read in various lighting conditions.

Simple-Set Programming – Basic operation makes it easy to set the heat and cool program schedules that fit your customers’ lifestyle. Simplicity helps to reduce callbacks.

2-Year Warranty

Application Flexibility – Models for heat pump and conventional systems.
